Subject: Request for Reinvestigation Under the Fair Credit Reporting Act (15 U.S.C. 1681i)

To: Equifax Consumer Dispute Center

I am writing to formally dispute the accuracy of the CitiCards CBNA account listed on my Equifax credit report.

The account is reporting a balance of \$210.00 on a closed secured credit card with a \$200.00 credit limit. I am requesting that Equifax conduct a thorough reinvestigation of this account because I question the accuracy and completeness of the information being reported.

Under the Fair Credit Reporting Act (FCRA), 15 U.S.C. 1681i, Equifax is required to conduct a reasonable reinvestigation of disputed information. Additionally, 15 U.S.C. 1681e(b) requires consumer reporting agencies to maintain reasonable procedures to assure the maximum possible accuracy of the information contained in consumer reports.

Accordingly, I request that Equifax:

- Conduct a reasonable reinvestigation of this account.
- Require the furnisher to provide competent evidence supporting the reported balance, account status, payment history, and any other information being reported.
- Verify that the reported balance, credit limit, and account status are accurate and complete.
- Delete or correct any information that cannot be verified in accordance with the requirements of the FCRA.

If the furnisher is unable to provide sufficient documentation verifying the accuracy of this account, I request that the disputed information be removed from my credit report.

Additionally, pursuant to 15 U.S.C. 1681i(a)(6)(B)(iii), please provide the name, address, and telephone number of the entity that verified this information, along with the results of your reinvestigation.

Please complete your investigation within the time frame required by the Fair Credit Reporting Act and notify me of the results in writing.
